

Second Quarter 2018 Issues / Programs Report

WVTM-TV
Birmingham, Alabama

Based upon our stations' involvement in the community and input from community leaders and various organizations, we have determined that the following issues are concerns of the community:

- **Religion** – Religion is a major topic of concern for WVTM 13 viewers. WVTM 13 covered stories that affected the faith-based community.
- **Youth/Education** – WVTM 13 viewers have strong concerns about youth and their education. WVTM 13 covered stories that affected schools, youth, and the community.
- **Minority** – WVTM 13 strives to ensure coverage of all sectors of the population and covered stories that affected minority populations.
- **Business/Consumer** – Consumer information and the economy are major topics of concern in WVTM's market. WVTM 13 keeps an eye on positive and negative information affecting consumers.
- **Health** – WVTM 13 viewers find it important to keep up to date on health issues – from the financial aspect, to major health concerns, treatments, and developments.
- **Crime** – WVTM 13 finds it important to keep its viewers informed of major crime issues, including the crimes, themselves, and crime prevention.
- **Politics** – The WVTM 13 community finds it important to be informed about political issues on all levels: federal, state, and local. WVTM keeps an eye on these issues to pass along to our viewers in an unbiased manner and help them make informed political decisions.
- **Drug Addiction/ Opioids**-WVTM 13 is committed to fighting the national epidemic of the opioid crisis and how to prevent it, by spreading awareness to the topic.

**Second Quarter 2018
